

STINGRAY SPLASH

Hanover YMCA Stingrays Closed Y Meet November 6, 2011

Meet Purpose: To provide a “closed Y” meet to help swimmers meet their required three closed meets for qualification at the district level, and to provide swimmers an opportunity for early season short course times.

Facility The Hanover Family YMCA is located at 500 George Street, Hanover PA. Directions to the YMCA can be found on the Hanover YMCA main website. (www.hanoverymca.org). A list of nearby hotels will be available on the Stingray website. (www.ymcastingrays.org.)

The pool is a six (6) lane, 25 meter pool with a 7 foot depth at the starting end and 3 foot 6 inch depth at the shallow end. A fully automatic Colorado 5 timing system with 6-lane display board will be used. We will use Hy-Tek meet manager software. Locker rooms and lockers are available for the swimmers to use, but each swimmer is responsible for his/her items.

Swimmers will be housed in the gym. We ask that each team have an adult supervising their team area during the meet. We will have a seeding area in the gym. Swimmers will be lined up and then escorted to the starting blocks. It is the responsibility of the swimmers to get to the seeding area on time. We suggest that each team have an adult volunteer to make sure swimmers are in the seeding area at the appropriate time.

Bleachers are available for spectators in the pool area. Due to the limited size of our pool deck, **NO CHAIRS WILL BE ALLOWED ON DECK**. All spectators must be seated on the bleachers. We recommend that spectators stay in the gym until it is time for their swimmers to swim. Special arrangements will be made for any spectator needing special accommodations due to disability. Please contact the meet director upon arrival, so we can make arrangements. Swimmers are asked to return to the gym following their event.
